Customer "Select - a - Shutter" guide.

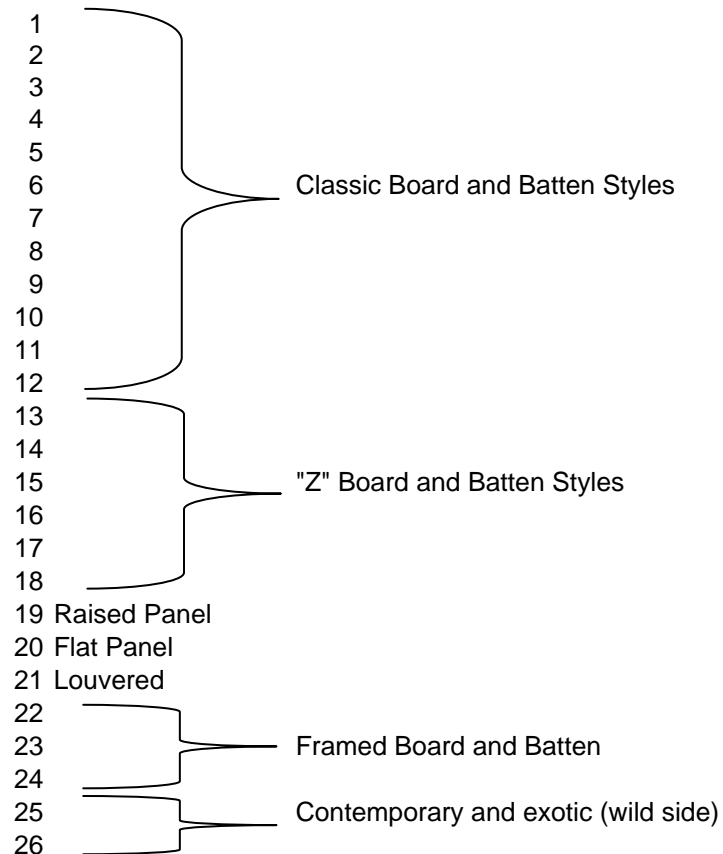

- Step 1. Select a design (remember arch-top selection if any)
- Step 2. Select a style (Framed Board and Batten, Simple Board and Batten, Panel or Louver)
- Step 3. Select a wood species (Rustic Cedar, Smooth Cedar, Knotty Alder, Paint Grades)
- Step 4. Select a color
- Step 5. Select options (Hardware, glazings, custom coloring)

Note: All designs shown are to scale for a 5' 0 window height, we can custom design and fit to your specification.

Styles:

- 1 Classic Board and Batten
- 2 Framed Board and Batten option
- 3 Panel Styles: Raised panel, inset panel
- 4 Louvered: 1in., 2 in or 3 in.
- 5 Customs: The possibilities are endless, let us help you give your home the exterior you want or give us your drawing, *"if you can draw it we can saw it."*

Exterior Shutter Basic Designs (select by number)
